RE : Congratulations from the African Diaspora in Switzerland for the success of CAN Cameroon 2021

Mr. President of the OC of the CAN Africa Cup of Nations-Cameroon 2021,

The African Diaspora Council of Switzerland in collaboration with AIPRECAS congratulates you for the brilliant organization of the African continental competition CAN Cameroon 2021.

From January 9 to February 6, 2022, the whole world had its eyes on Cameroon which organized the 33rd edition of the African Cup of Nations Football.

You have fulfilled the mission assigned to you by the CAF-African Football Confederation to make it a beautiful celebration never organized on the African continent.

You succeeded in overcoming the challenges that arose on the organizational level with more than 10 stadiums made available to teams, the security challenge which surprised and satisfied all observers and finally the health challenge with thousands of spectators at the stadium thanks to a suitable device.

This great African cultural fair ended on the evening of February 6, with the presentation of the trophy to Senegal, which lifted it for the first time.

All over the continent, the praises of football lovers and columnists abounds on this great success at a time when the balance sheets are made.

Before passing the torch to Ivory Coast, which will organize the next edition, the public was once again gratified by a magnificent closing ceremony.

While we look forward to the next bigger continental fiesta in Ivory Coast, please accept, Mr. President, the assurance of our warmest congratulations, sporting and cultural greetings for the great joy brought to the people of Africa and to the world through this extraordinary edition.

Switzerland, 09.02.2021

On behalf of the African Diaspora Council of Switzerland,
M. Celeste Ugochukwu.
